-- Under the title "Israel Amongst Its Enemies" Abdulla Al-Hadlaq  
editorialized in conservative Arabic daily Al-Watan (03/04):

"A military confrontation between the international community and  
Iranian terrorism is inevitable. When it happens, Iran will be  
completely crushed in the first round."

-- Under the title "There Are No Permanent Friends or Enemies"  
Khaled Al-Qattan penned in moderate Arabic daily Al-Anbaa (03/04):

"The coming period will transform the situation in the region from  
an anti-American anti-Zionist struggle to an international struggle.  
This transformation will come about as a result of America's  
control over oil sources in the Gulf. It is not an exaggeration to  
say that America is preparing a costly defensive apparatus to  
protect the oil wells."
